

## Arab American National Museum

### Mapping the Arab World

Locate and label the 22 Arab countries pictured above on a world map or on the second floor landing at the Arab American National Museum. Using the Arab American National Museum exhibits and/or other resources, list one fun fact about each country and one person of interest from each country. If you know something or someone that your lesson or museum tour didn't mention, don't hesitate to share!

| <b>Name of Country</b> | <b>Fun Fact</b> | <b>Person of Interest</b> |
|------------------------|-----------------|---------------------------|
| 1.                     |                 |                           |
| 2.                     |                 |                           |
| 3.                     |                 |                           |
| 4.                     |                 |                           |
| 5.                     |                 |                           |
| 6.                     |                 |                           |
| 7.                     |                 |                           |
| 8.                     |                 |                           |
| 9.                     |                 |                           |
| 10.                    |                 |                           |
| 11.                    |                 |                           |
| 12.                    |                 |                           |
| 13.                    |                 |                           |
| 14.                    |                 |                           |
| 15.                    |                 |                           |
| 16.                    |                 |                           |
| 17.                    |                 |                           |
| 18.                    |                 |                           |
| 19.                    |                 |                           |
| 20.                    |                 |                           |
| 21.                    |                 |                           |
| 22.                    |                 |                           |

| <b>Name of Country — Key</b>    |
|---------------------------------|
| <b>1. Morocco</b>               |
| <b>2. Mauritania</b>            |
